

an evening with the ARTS

Sponsorship Proposal

40th Anniversary Celebration

The Baltimore Museum of Art

Thursday, September 27, 2018 6-8:30 pm

An Evening with the Arts is being hosted to celebrate Disability Rights Maryland's 40 successful years as Maryland's Protection & Advocacy organization, dedicated to improving the lives of Marylanders with disabilities through legal advocacy. We invite you to be a sponsor of this community event!

An Evening with the Arts will be hosted at The Baltimore Museum of Art and will bring together members of the disability, legal, nonprofit and business communities. Tickets will be appropriately priced to attract a broad audience of guests and we will be offering a delectable menu of hors d'oeuvres and drinks.

To illustrate DRM's vision of an inclusive society where all individuals have access and opportunities to pursue their passions; several artists from local, community arts based organizations Art with a Heart and Creative Chance will have their art displayed throughout the museum. Art with a Heart's mission of enhancing the lives of people in need through visual art and Creative Chance's dedication to breaking down social barriers between those with and without disabilities in Baltimore, while creating opportunities in the arts for all aligns with DRM's core values and our desire to increase outreach and bring attention to the goal of an inclusive society.
