

Supported Decision-Making Stakeholders Meeting

December 7, 2018
2:00-5:00 PM

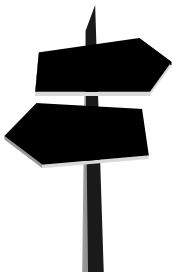

Hussman Institute for Autism
5521 Research Park Drive
Catonsville, MD 21228

DRM invites people with disabilities, their supporters and their providers to meet and discuss what supported decision-making is and how it can be used to benefit our client communities in Maryland.

Join us on **December 7th** to learn more about supported decision-making and how it may work for you.
