# WHAT WE DO

## → Legal Representation

DRM decides who we can represent based on our annual Advocacy Services Plan, the resources we have, and our goal to make broad, significant and lasting change for Marylanders with disabilities.

## → Systemic Advocacy

DRM works with community partners to address issues that affect many people with disabilities. We do this through class action lawsuits, outreach and training events, regulation and legislation reviews, policy advocacy and facility monitoring.

## → Resources & Referrals

DRM empowers people to advocate for themselves, or for their loved ones, by sharing resources, providing legal assistance and making referrals.
