BREAKING BARRIERS AWARDS GALA

About

The **Breaking Barriers Awards Gala** is DRM's signature annual event bringing together attorneys, corporate and foundation leaders, government representatives, and disability advocates. We honor and celebrate visionary leaders whose unwavering dedication to disability rights has resulted in meaningful progress towards a more equitable and inclusive society. The event features an awards ceremony and entertainment at a cocktail reception. Funds raised at the Gala directly support DRM's mission to protect and advance the rights of Marylanders with disabilities.

Disability Rights Maryland (DRM), formerly known as Maryland Disability Law Center, is a non-profit organization that works to create a fair and inclusive society. As the designated Protection and Advocacy (P&A) organization in Maryland, DRM is required by federal law to protect and promote the civil rights of people with disabilities throughout the state. DRM achieves this through legal representation, systemic advocacy, and education. DRM's goal is to ensure that individuals with disabilities are free from abuse, neglect, and unnecessary institutionalization, and have equal opportunities for education, housing, transportation, and healthcare. DRM envisions a world where people with disabilities are fully included in workplaces, neighborhoods, and all aspects of community life.
