AS A MARYLAND VOTER
YOU HAVE THE RIGHT TO:

✔ Vote in an accessible polling place.
   Call your local board of elections or check online at
   www.elections.state.md.us to find out if your polling site is
   accessible to you. To request an accessible polling site contact
   your County Board of Elections by the close of voter registration.

✔ Cast a private and independent ballot.

✔ Receive voting assistance if needed.
   You can ask an election judge for help, or you can bring any other
   person to help you except your employer or union official. You may
   need to complete a Voter Assistance Form at the poll.

✔ Mark a ballot on an accessible voting machine.
   You can select a large print or high contrast ballot. You can also
   request an audio ballot, which requires the use of headphones and
   a keypad. The angle of the voting machines can be adjusted for
   better access.

✔ Cast a ballot as long as you are in line when the
   polls close.

✔ Vote a provisional ballot if your name does not appear
   on the voter registration list, or if there is a question about your
   eligibility to vote.

✔ It is a good idea to bring identification with you.
   Federal law requires that if you registered to vote by mail, you must
   provide identification before voting for the first time in Maryland.
